## A Matter of Death and Life

By D.L. Kline

**A Matter of Death and Life** deals with a subject that touches all of us and the illusion of death—what really happens to us when our physical bodies cease to function and, more importantly, how we plan all our lives to make the most of our brief time on Earth.

“Nobody ever ‘dies.’ When this body you are currently inhabiting ceases to function, and an earthly life can no longer be maintained by it, you, the real you, your soul if you will, simply leaves that body and returns to your home in the dimension next to this one.”

D. L. Kline lived a fairly ordinary life until an unexpected psychic awakening at the age of 60. Now he is writing a series of books about his spiritual journey to help others find their own paths.
